ANNUAL REPORT 2022

About the Cover

The Year 2022 Annual Report of the Commission on Higher Education Regional Office XI (CHED RO XI) depicts its journey from Years 2019 to 2021 as compiled in the Annual Reports of the said years. In 2019, under the leadership of Regional Director Dr. Maricar R. Casquejo, CESO III, CHED RO XI planted the seeds leading towards the digitization and digital transformation as the Fourth Industrial Revolution (FIRE) emerges. The COVID-19 pandemic in 2020 failed to slow down CHED RO XI's momentum in 2019 as it continues to transform and enhance its delivery of services. CHED RO XI needed to expeditiously transform its services from the traditional to online and electronic form due to the needs of time. In 2021, amidst the challenges brought by the new normal, CHED RO XI remains steadfast in giving its stakeholders the quality service they deserve to navigate the new normal.

As the FIRE continues to shape our society, many emerging technologies influence the strategic direction and operations of many Higher Education institutions (HEIs). In light of the current situation, the CHED RO XI expects many changes and shifts in the higher education sector. Adapting to the changing times and digital transformation becomes a strategic direction for HEIs. Taking note of these developments, the CHED RO XI seizes the moment and marks an inflection point for digital transformation. The transition of the waves on the cover of this Report captures the Commission's transformation from analog to digital. With this transformation, the CHED RO XI expects significant progress in delivering its services to its stakeholders efficiently and effectively. This transformation signifies the Commission's advocacy towards digital transformation of the HEIs in Davao Region and its continuing way of affirming its solid commitment to serving its stakeholders.

Message from the Director

DR. MARICAR R. CASQUEJO, CESO III
Director IV

The Year 2022 marked my fourth year of service as the Regional Director of the Commission on Higher Education Regional Office XI (CHED RO XI). In many ways, this Year has been both challenging and transformative.

We have been journeying together to the new world that is emerging as we gradually recover from the setbacks brought about by the recent global pandemic. With our collective ability to withstand and respond effectively to the needs of our students and stakeholders, we have overcome the unprecedented challenges of the pandemic. Nowadays, we can start to forge ahead and move towards a better educational environment for our students. To do so, we need to have an inventory of what changed and continually create a space to rethink our models, restructure our processes, and reinvent our systems.

Internally and externally, we at CHED RO XI are glad to share that we have embraced and embodied digital transformation in our day-to-day transactions and shared commitment to serve our fellowmen. We have equipped and empowered our staff in the Commission by adapting appropriate digital tools and technologies that can elevate the quality of our service. What we are practicing in the Office are also cascaded in our HEIs.

We are also making steady progress as we embraced the Fourth Industrial Revolution (FIRe) and move towards Digital Transformation. Guided by our mantras - "Walk the Talk" and "We find Solutions," we made transformation less hard for us all. We believe that the best method to get the support and cooperation of our stakeholders is by leading by example. With this, we mean modeling the behaviors we want and demonstrating the excellence we expect to see from everyone. We believe that our stakeholders will likely adhere with our principles, practices, and goals as a Commission if they experience our brand of service.

We sustain quality and excellence with our partner HEIs in Davao Region by ensuring that we work together in delivering high-quality and relevant educational programs and services that holistically develop students to be locally responsive, innovative, and globally competitive graduates and lifelong learners. And to make sure that our collective undertaking will continue to make sustainable progress, we level off the playing fields for both public and private colleges and universities in the Region by conducting regular monitoring and evaluation compliance and initiating a series of dialogues with Key Personnel of public and private HEIs so we can better understand their situation and provide them timely guidance and direction and support. And through our developmental approach, we are glad to say that we have received the commitments of our partner HEIs to comply with CHED minimum requirements and submit action plans to address deficiencies in their program offerings. It is our foremost desire to ensure that all our HEIs are compliant or will not backslide with the minimum requirements for them to be ready or for them to pursue the next development steps such as institutional and program accreditations, internationalization, innovations, among other developments. For 2022, we are happy to note that we are almost there.

I am grateful to Chairman De Vera III, all the Commissioners especially Commissioner Darilag, the Commissioner In-Charge of all our SUCs in the Davao Region, Executive Director Jaro, Central and Regional Office Directors, our valued personnel in the Commission, and partner agencies in the government and private sectors, and our HEIs for their unwavering support, solid commitment, and tireless efforts to the implementation of our programs, services and initiatives. As a result, we can now provide better public services to our dear students, stakeholders, and the society effectively and efficiently.

I hope that our accomplishment this year in the Commission will continue to transform lives and serve as a guide for our partner HEIs in the Davao Region.

Maraming salamat at mabuhay po tayong lahat!

EXECUTIVE SUMMARY

The Year 2022 has been both challenging and inspiring for us in CHED RO XI. Despite the uncertainty brought by the pandemic, we have overcome its challenges and have emerged stronger.

During the First Quarter of the year, the country was affected by the more contagious Omicron-variant of the Coronavirus. However, after the said quarter, through the issuance of Former President Rodrigo R. Duterte's Executive Order No. 166, s. 2022, "Adopting the Ten-Point Policy Agenda to Accelerate And Sustain Economic Recovery from the Covid-19 Pandemic, and Directing a Whole-Of-Government Approach to Align all Economic Recovery Programs and Measures of the National Government," and President Ferdinand E. Marcos, Jr.'s "8-point Socioeconomic Agenda in the Near- and Medium-Term," which specifically mandates the resumption of Face-to-Face (F2F) learning, the Region's higher education sector was able to recover and improve on its deliverables.

The CHED RO XI Team has worked tirelessly to adapt to the changing landscape of education. Despite the many adjustments we took, we are happy to share our progress in the six major areas of the Commission that define what we do in the CHED RO XI. These six major areas include (1) Higher Education Development Programs and Services, (2) Higher Education Regulation Services, (3) Support to Operations, (4) General Administration and Support Services, (5) Regional Activities and Initiatives, and (6) Outreach Activities and Extension Services.

Higher Education Development Programs. As part of its constitutional mandate of providing access and equity to poor but deserving Filipino youth, CHED RO XI processed a total of 2,200 slots for ongoing scholarship beneficiaries under the CHED Student Financial Assistance Programs (StuFAPs). The Office also conferred other scholarship grants for qualified undergraduate students, namely: 10 for CHED-Estatikolar; 2 for Scholarship Grant Program for Children and Dependents of Sugarcane Industry Workers and Small Sugarcane Farmers (SIDA-SGP); and 87 for Medical Scholarship and Return Service (MSRS). For graduate students, CHED RO XI facilitated the implementation of the Local Graduate Scholarship grants through the Memorandum of Agreement (MoA) signing and approval of 92 grantees for the Scholarships for Staff and Instructors' Knowledge Advancement Program (SIKAP) across 8 batches during the year. By the end of 2022, CHED RO XI conferred a total of 158 SIKAP grants to teaching and non-teaching personnel in Davao Region.

CHED RO XI also provided mentoring sessions to the key personnel of LUCs and SUCs relative to their compliance with minimum requirements for issuance of COPC. This is critical for LUCs and SUCs since the IRR of RA 10931 or the "Universal Access to Quality Tertiary Education Act" requires the institutions to secure COPCs for their program offerings to continue with the availment of the Free Higher Education (FHE).

Specifically for LUCs, the Office provided the following technical assistance:

- Mentoring sessions with one of the local colleges in Davao de Oro for their compliance with the requirements for the issuance of Institutional Recognition (IR),
- Search for President for some Local Colleges with vacant positions for College President,
- Consultations with some LGUs that are interested in establishing local colleges in their respective cities/municipalities.

For the SUCs, this Office provided the following assistance, among others:

- Davao Region SUCs Preparation of FY 2023 RDC XI Budget Review and Consultation to ensure that the proposed Programs, Activities, and Projects (PAPs) are in line with the National Government's Budget Priorities Framework,
- Benchmark with other SUCs' Tuition and Other School Fees (TOSF) policy and implementation in consideration with the end of TOSF increase moratorium in 2022 per IRR of RA 10931,
- Formulation and Evaluation of the Land Use Development and Infrastructure Plan (LUDIP) of six (6) Davao Region SUCs and LUCs

For Gender and Development (GAD), CHED RO XI initiated and organized the assembly of the CHED ROs GAD Focal Persons with the aim of sharing their best practices. The Region also hosted the 2022 GAD Summit which include the (1) Mindanao-wide Zonal Public Orientation of CMO No. 03 s. 2022, "Guidelines on Gender-Based Sexual Harassment in Higher Education Institutions", (2) Culmination of the 18-day Campaign to end Violence against Women (VAW), and (3) Dissemination of electronic copy of the "Compendium on Best Practices in Mainstreaming GAD in the Instruction, Research & Extension Functions of HEIs in Davao Region.

To enhance its network and advance the interests of the Higher Education sector, CHED RO XI partnered on various collaborative efforts with the Philippine Statistics Authority (PSA), Innovation Through Science & Technology and Risk Resilient-based Initiative towards Knowledge Economy (iSTRIKE) Davao, National Economic and Development Authority (NEDA) XI, Regional Development Council (RDC) XI, Social Development Council (SDC) XI, Regional Inter-Agency Committee on Filipino Family (RIACFF), Regional Inter-Agency Committee on Youth Development (RIACYD), Davao Association of Guidance Counsellors (DAGCo), and Metropolitan Davao Development Authority (MDDA).

Higher Education Regulation Services. CHED RO XI continued to ensure that the provision of higher education programs in the Region are delivered within or beyond the existing standards. The Office received and processed 139 applications for Government Permits and Recognition to operate programs. Out of this number, it issued 32 and 17 Government Permits and Government Recognitions, respectively. For public institutions, the Office issued 23 Certificates of Program Compliance (COPCs) to different local universities and colleges (LUCs) and state universities and colleges (SUCs).

CHED RO XI also conducted monitoring activities, in accordance with its mandate, to 62 HEIs and 346 higher education programs, and evaluated 131 revised curricula of HEIs to ensure that they are delivered consistent with existing Policies, Standards and Guidelines (PSGs) of their respective programs.

To support these monitoring activities of HEIs' program offerings, CHED RO XI evaluated the provision of Student Affairs and Services (SAS) of 62 HEIs, and utilization of Tuition and Other School Fees (TOSF) increase of 22 HEIs. In addition, other monitoring activities included the evaluation of HEI on their readiness and implementation of the following programs and activities: Sports Development, Philippine Anti-Illegal Drugs Strategy (PADS), COVID-19 Vaccination, Face-to-Face Classes and Safety Seal Certification.

CHED RO XI facilitated the administration of the 1st Test of Practical Competency in Information Technology (TOPCIT) in the Davao Region in partnership with the Office of Programs and Standards Development (OPSD). TOPCIT is a performance-evaluation-centered test designed to diagnose and assess the competency of Information Technology specialists and Software Developers that is critically needed to perform jobs on the professional frontier. Relative to the objective of attaining practical learning outcomes of students, the Office also conducted a Joint Monitoring Activity with the Professional Regulations Commission (PRC) for the Bachelor of Science in Food Technology and Bachelor of Science in Radiologic Technology programs at the University of the Philippines Mindanao, Davao del Norte State College, Philippine Women's College of Davao,

Support to Operations. Congruent to the Region's commitment to full digitalization, CHED RO XI initiated several projects in order to develop its frontline services which include: (1) Online Application for Special Order; (2) e-submission of Enrollment List and Promotional Report; (3) UniFAST XI Scholarship Management System; (4) CHED RO XI Communications and Documents Tracker Electronic System (CDTES); (5) Human Resource Information System (HRIS) Project; (6) Deployment of the Queueing and Online Appointment System with Client Satisfaction Survey and Automated Printing of Certificate of Appearance, (7) Online Self-evaluation Forms and e-submission of supporting documents for Applications of Government Permit and Recognition to Operate Higher Education Programs, (8) Online Self-evaluation Forms and e-submission of supporting documents for Monitoring of Recognized Higher Education Programs, (9) Monitoring Instruments, and (10) Harmonized Calendar for CHED RO XI Activities Conducted and Attended/Participated. These innovations helped improve and expedite the Office transactions which resulted in more productivity, submission and monitoring of reports of HEIs.

General Administration and Support Services. The Office continued its mission for the personnel's holistic development. The personnel of the Administrative Division attended the CHED Resiliency and Excellence for Administrative Personnel (REAP) Summit for 2022. Other notable activities that the CHED RO XI personnel participated are the quarterly National Simultaneous Earthquake Drill (NSED), Civil Service Commission (CSC) XI Orientation on the Program to Institutionalize Meritocracy and Excellence in Human Resource Management (PRIME-HRM) accreditation in relation to CHED RO XI's application, PRIME-HRM Benchmarking Activity with the Department of Trade and Industry (DTI) XI, CHED Convergence Activity on Quality and Integrity, Industry-Academe Workshop for the Skills Progression Partnership Program for Information Technology Education, and the Refining the Procurement Proficiency for CHED RO XI Bids and Awards Committee (BAC) Members.

In recognition of the significance of holistic Human Resource Development, CHED RO XI initiated a Spiritual Nourishment Activity, and the Unity Games 2022. The Office also held its Annual Performance Recognition, Awards and Incentives for Service Excellence (PRAISE) Ceremony to recognize the exemplary service rendered by its outstanding personnel.

Regional Activities and Initiatives. Given the commitment of the CHED RO XI to provide high-quality education that is socially and culturally sensitive and supportive of the education standards of ASEAN, the Office conducted several activities to promote Internationalization among HEIs in the Region including the 1st ASEAN Cuisine and Flavors Festival; the 1st ASEAN Culture and Arts Festival; and the 1st ASEAN WebXhibition and Festival. The Office also welcomed and hosted the delegates and guests from various ASEAN countries during the 3rd Regional Conference on Internationalization.

The Office hosted numerous significant events including the National Doctorate Meeting, the Zonal Public Orientation on the Philippine Qualifications Framework for Higher Education Institutions for Mindanao Cluster and the Awarding Ceremony of the Top 10 Successful IT student-examinees of the 6th TOPCIT Philippines 2022, the Zonal Public Orientation on the Philippine Qualifications Framework (PQF) for Higher Education Institutions for Mindanao Cluster, the Nationwide Test for Practical Competency in IT, the 1st Quarter CHED National Directorate Meeting, the Zonal Public Orientation on the Localization of Safe Spaces Act in Higher Education and Culmination of the 18 Day Campaign to End VAW Mindanao Cluster, the 2022 PADS Innovative Awards, and the CHED-Wide Hybrid Flag Raising and Fellowship Ceremony.

Outreach Activities and Extension Services. As CHED RO XI continues to create sustainable progress, the Team recognizes the importance of PAYING IT FORWARD. In 2022, CHED RO XI remains consistent with its initiatives on outreach and extension services. These include a tree-growing activity in support of promoting Social Responsibility and Responsiveness for Sustainable Communities, and a gift-giving activity entitled "Pamaskong Handog ng CHED RO XI at SIKAP Scholars".

Overall, the Office is grateful because it has been an amazing and fruitful year for the Commission. The CHED RO XI Team will continue to "provide solutions" and "walk the talk" for its stakeholders, whose support has been both inspirational and integral in everything the Office does towards digital transformation and the changing landscape of education.

REGION

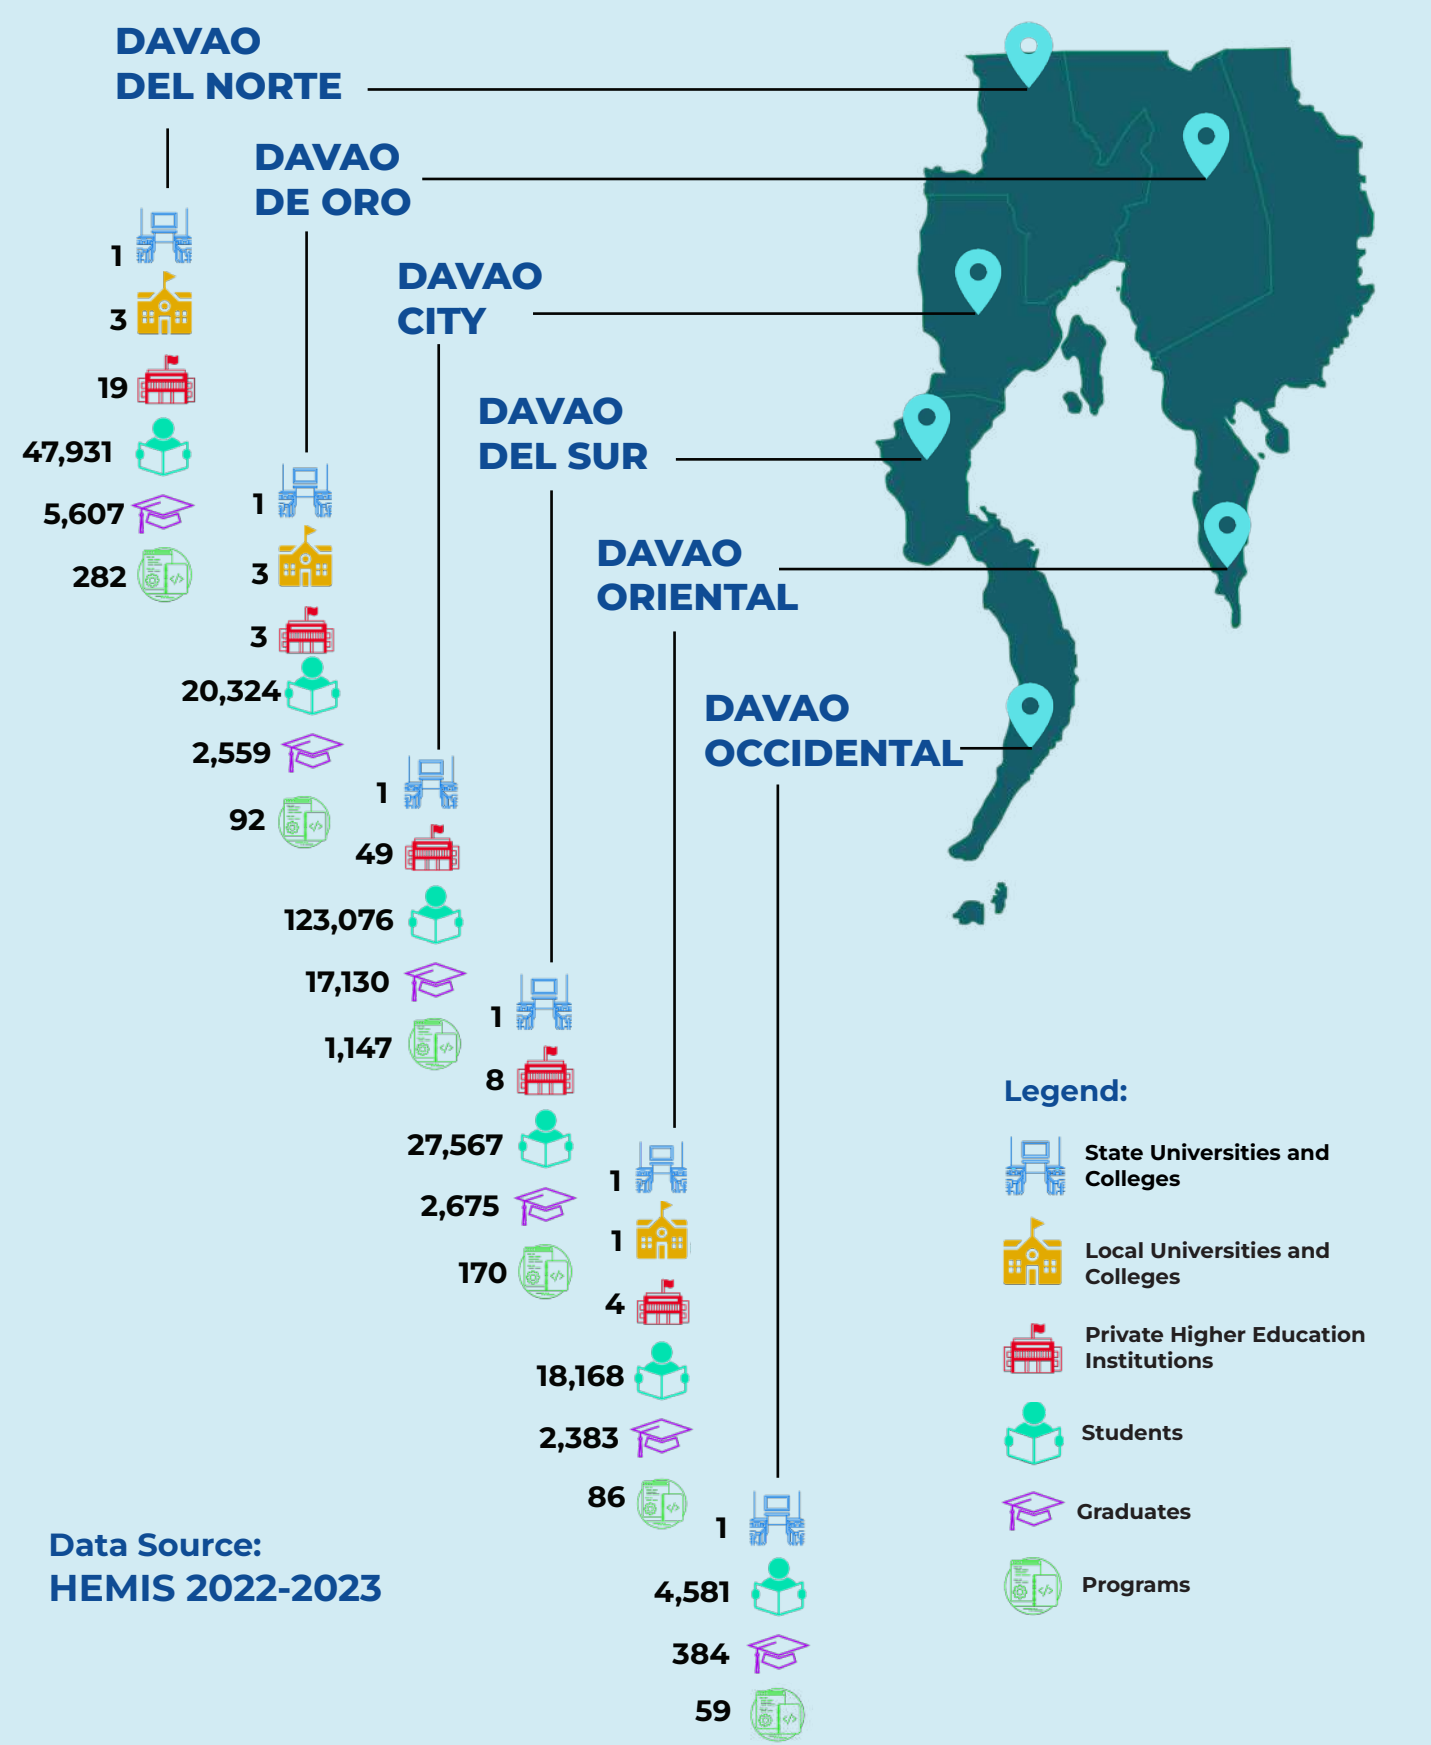

Davao Region, officially designated as Region XI, is an administrative region in the Philippines occupying the southeastern section of Mindanao. It covers 5 provinces, namely, Davao de Oro, Davao del Norte, Davao del Sur, Davao Occidental, and Davao Oriental, and one (1) highly urbanized city and regional center—the City of Davao.

Its population, as determined by the 2020 Census, was 5,243,536. This represented 19.97% of the overall population of the Mindanao island group, or 4.81% of the entire population of the Philippines. Davao Region is the home of the Commission on Higher Education Regional Office XI (CHED RO XI), the government agency mandated to (1) promote relevant and quality higher education, (2) ensure access to quality higher education, and (3) protect academic freedom for continuing intellectual growth, advancement of learning and research, development of responsible and effective leadership, education of high-level professionals, and enrichment of historical and cultural heritages. The Commission adheres to good governance, accountability, transparency, and service excellence principles. The CHED RO XI serves 105 Higher Education Institutions (HEIs) in the Region.

IN RETROSPECT:

Cognizant of the CHED's mission and vision and the need of the stakeholders and HEIs in the region, RD Casquejo articulated the five (5) strategic directions of CHED RO XI and created the roadmap that guided the Office on what it wants and how it can be realized. With her leadership, the personnel recognizes the integration of the 14Cs in the daily operations and overall success. The 14Cs refer to Clarity, Care for Personnel, Client satisfaction, Coordination, Cooperation, Communications, Computerization, Compliance, Closure, Collaboration, Cleanliness, Corporate Social Responsibility and Continuous Improvement.

To focus, maintain perspective, and stay inspired, RD Casquejo has laid 5 major strategic directions that have shaped CHED RO XI activities and guided our action plans. Since its conception, below are CHED RO XI's accomplishments as of Fiscal Year 2021:

HIGHER EDUCATION REGULATION SERVICES

a. Development of Standards for Higher Education Programs

TOPCIT Orientation and Examinations in Davao Region

Through the initiative of the Office of Programs Standards and Development (OPSD) in upholding quality assurance, CHED RO XI hosted the Hybrid Orientation on the Test of Practical Competency in Information and Communication Technology (TOPCIT) attended by ITE HEIs from Regions 9, 10, 11, 12 and Caraga at Acacia Hotel, Davao City on August 2, 2022.

With this, CHED RO XI facilitated the administration of TOPCIT Examinations to five (5) pilot HEIs in the Region, namely: ADDU, DNSC, DSSC, USeP-Tagum and SPAMAST on August 5, 2022, and 17 additional HEIs for the second batch on November 26, 2022. The said examination assessed the level of ICT competencies of ITE students.

Exemplars of General Education Coursepacks

In the spirit of Project Working on Resilience and Innovation for Teaching Excellence in Region XI (Project WRITE-RXI), CHED RO XI initiated the crafting of three (3) model coursepacks for General Education courses through the Council of Educators and Deans of Arts and Sciences XI for: Math in the Modern World (MMWW), Science, Technology, and Society (STS), and Art Appreciation. The said coursepacks were intended to be exemplars for learning that underwent thorough content collection, validation (review), design and review, and utilization.

b. Monitoring and Evaluation of Higher Education Programs

The conduct of onsite inspection for monitoring activities to HEIs that operate recognized programs have been less challenging since F2F activities are already allowed. CHED RO XI issued MRD No. 48, s. 2022, entitled, "The 2022 Remote/ Onsite Monitoring and Evaluation of HEIs in Davao Region", that required HEIs in Region XI to accomplish the online self-evaluation forms and upload the supporting documents in the google cloud storage prior to the actual conduct of the on site visit. The system developed made the monitoring activities to HEIs compliant to respective PSGs more efficient. Other major areas of evaluation includes the implementation of: (1) Student Affairs and Services, (2) Research and Publication, (3) Extension and Linkages, (4) Coursepacks, (5) Flexible Learning, (6) Tuition and Other School Fees, (7) Face to Face, (8) PADS, (8) GAD, among others.

All in all, CHED RO XI monitored a total of **62** HEIs and **346** programs for 2022.

CHED RO XI Monitoring Team's validation of supporting documents for programs offerings of DWCI.

Approved Applications and Government Permits for AY 2022-2023

In 2022, CHED RO XI resumed the conduct of onsite ocular inspections to HEIs with applications for Government Permit and Recognition to operate higher education programs due to more relaxed minimum health protocols by the DOH and IATF. The Office was able to maximize the use of digital technology such as the Google Workspace, and effectiveness of onsite/in-person activities. The issuance of CHED Regional Memorandum No. 20, S. 2020, "Online Processing of Applications for Initial/Renewal Permits and Government Recognition, Effective SY 2021-2022 of HEIs in Region XI" provided efficiency in the evaluation of applications. On the other hand, the conduct of onsite inspections for evaluation of Government Permit and Recognition applications has been effective since the HEIs are also open to it already.

CHED RO XI received and processed a total of **49** applications for Government Permits and **28** for Government Recognitions. This resulted in the issuance of **33** Government Permits and **20** Government Recognitions.

a. CHEDRO Frontline Services

Online Application for Special Order

Effective December 2022, the applications for Special Order (SO) in CHED RO XI had been automated and processed online. This is to streamline the process in compliance with RA 11032, "the Ease of Doing Business Act". The developed system has the capacity to automate the generation of SO Form by utilizing the preformatted template, and an embedded QR code designed for efficient document tracking and determination of record authenticity.

e-submission of Enrollment List and Promotional Report

The HEIs in Region XI are now submitting their Enrollment List (EL) and Promotional Reports (PR) through the CHED RO XI Online Portal. The system validates the templates being used, as well as the data entries per student such as programs, grades, units, among others, and importing list students into the system's database. The output of the system is an online repository of Enrolment List and Promotional Report, data of which will be used in the automated validation and billing of UniFAST Grantees. The system has the dashboard for monitoring the HEIs' submission of EL and PR.

UniFAST XI Scholarship Management System

The HEIs' UniFAST Focal Persons are now utilizing the Online UniFAST XI Scholarship Management Information System which automates the validation of grantee's year level and status based on the submitted EL and PR. The system also automates the generation of billing forms for TDP and TES grantees and certification for validation in pdf format. Among the features of the system are dashboard for billing and payment status monitoring.
