

ANNUAL REPORT 2023

About the Cover

The cover of the 2023 Annual Report is a vibrant depiction of our theme: "Sustaining and Harnessing the Seeds of Development." At the heart of this theme is the Commission on Higher Education Regional Office XI (CHED RO XI), a resilient root deeply anchored in its commitment to serving its stakeholders through innovative and transformative solutions. From this steadfast root emerge branches bearing the fruits of CHED RO XI's efforts, symbolizing the diverse programs and initiatives nurtured and harvested throughout 2023.

Each vibrant cluster of fruits is a testament to CHED RO XI's unwavering dedication to advancing the higher education landscape in the Region. These fruits, more than mere symbols, are the tangible results of our collective efforts. From meticulous monitoring and evaluation to providing technical assistance, from administering scholarship programs to fostering international collaborations, these fruits exemplify the Commission's relentless pursuit of service excellence, and the direct impact it has on our community.

Amidst the flourishing branches and fruits of progress is the dawn of digital transformation. This is symbolized by the juxtaposition of an android hand and a human hand, representing CHED RO XI's ongoing journey towards the digitization of its processes. It underscores the Commission's proactive embrace of digital transformation, and the crucial role our stakeholders play in this journey. By leveraging technology, we aim to efficiently meet the needs of modern society, including yours.

The 2023 Annual Report celebrates the resilience, continuity, and growth embedded within these seeds of development meticulously nurtured and cultivated by CHED RO XI over time. This document stands as a tribute to CHED RO XI's dedicated efforts and achievements, highlighting its commitment to fostering an innovative and transformative higher education environment in the Region.

Message from the Regional Director

DR. MARICAR R. CASQUEJO, CESO III
Director IV

As we gather to reflect on the year gone by, I am filled with immense pride and gratitude for the strides we have taken together in sustaining and harnessing the seeds of development across our region. 2023 is my fourth year as the Regional Director, and challenges and triumphs have marked the journey, but through it all, we have remained steadfast in our commitment to progress and growth.

Amidst the uncertainties and disruptions that characterized the year, we, the CHED RO XI family, have demonstrated resilience and adaptability like never before. Our ability to navigate through turbulent and uncharted waters and stay focused on our goals is a testament to the strength of our collective effort, proving once again that we can do greater things together than we are apart.

One of the key pillars of our success in 2023 has been our relentless pursuit of innovation and creativity. We have embraced new technologies, processes, and ideas, laying the foundation for sustainable development that will bear fruit for years to come. By nurturing innovation and fostering a culture of continuous improvement, we have positioned CHED RO XI as an effective leader in our field, driving positive change and making a significant impact on the higher education landscape and the greater community that we serve.

But our achievements go beyond numbers and statistics. They reflect our shared values and our collective vision for a better future. In every project we undertake and initiative we launch, we are guided by a commitment to excellence, integrity, and inclusivity. We understand that true development can only be achieved when everyone has a seat at the table, and we are dedicated to ensuring that no one is left behind.

Looking ahead to the future, I am filled with boundless optimism and excitement for what lies ahead. The seeds of development that we have sown in 2023 are beginning to take root, and I have no doubt that they will blossom into a future that is brighter and more prosperous for all.

As we close this chapter and embark on a new one, let us hold fast to the lessons we have learned and continue to work tirelessly towards our shared goals. Together, there is no challenge too great, no obstacle too daunting. With determination, perseverance, and a spirit of collaboration, we will continue to sustain and harness the seeds of development, making our region a beacon of hope and progress for generations to come.

The milestones of the Regional Office are reflected in this Annual Report for 2023. The higher education institutions in Davao Region and other interested parties may use this as a reference in setting their own goals and priorities for the upcoming years.

Executive Summary

In 2023, the Marcos Administration introduced the 2023-2028 Philippine Development Plan (PDP) to address its 8-Point Socioeconomic Agenda, which includes protecting purchasing power, reducing vulnerability from COVID-19, ensuring sound macroeconomic fundamentals, creating jobs, upholding public safety, and ensuring a level playing field. In alignment, CHED updated its Strategic Plan to support these national goals, focusing on five Higher Education Outcomes: equitable access, quality and excellence, intensified internationalization, reinforced social responsibility, and improved governance and efficiency.

CHED RO XI provided various Student Financial Assistance Programs (StuFAPs) and the Scholarships for Instructors' Knowledge Advancement Program (SIKAP) to enhance ACCESS to higher education. In 2023, 2,058 scholarship slots were awarded under multiple programs, and 234 beneficiaries were supported under SIKAP. Additionally, 18 students enrolled in the Expanded Tertiary Education Equivalency and Accreditation Program (ETEEAP) in Davao Region. CHED also promoted human resource development through priority programs aligned with labor market demands, resulting in an 11% increase in STEAM enrollees and a 17% increase in graduates.

For QUALITY higher education, CHED facilitated the transition to onsite learning with updated guidelines, recognizing the need for practical knowledge. All HEIs in the Davao Region resumed onsite classes, and CHED supported the conduct of off-campus activities and international internships. CHED RO XI also assisted seven private HEIs in applying for Autonomous and Deregulated status and recommended Maco de Oro College for Institutional Recognition. Additionally, three Davao Region HEIs achieved ISO 21001:2018 certification.

CHED RO XI's efforts in internationalization were recognized locally and globally. Ateneo de Davao University's rankings in the QS World and Asia University Rankings and the ICONS Awards are a testament to this. Furthermore, other universities in the region gained ASEAN University Network—Quality Assurance (AUN-QA) membership. The launch of the CHED XI RankEd Program further underscores the organization's commitment to promoting quality management systems and international recognition. CHED RO XI's commitment to SOCIAL RESPONSIBILITY was demonstrated through PANAGTIGUM 2023, a celebration of the achievements of 158 SIKAP grantees. The organization also actively engaged in various Research, Development, and Extension (RDE) initiatives, directly addressing community needs and contributing to the achievement of SDGs.

For GOOD GOVERNANCE and BUREAUCRATIC EFFICIENCY, CHED RO XI developed nine automated systems to improve service delivery and researched digital transformation in Mindanao HEIs. The region achieved impressive budget utilization rates, demonstrating program implementation and financial management efficiency.

Looking ahead to 2024 and beyond, CHED RO XI is poised to tackle the challenges in higher education with a comprehensive set of strategies. These include promoting operational sustainability, providing technical assistance, encouraging income-generating ventures, supporting relevant programs, and fostering future thinking. These proactive measures will enable HEIs to navigate the complex political, economic, social, technological, legal, and environmental landscape.

As enablers, CHED RO XI intends to handle these challenges by (1) Leading HEIs Toward Achieving Operational Sustainability and Resilience, (2) Providing Technical Assistance on Institutional Development, (3) Encouraging and Assisting HEIs in Establishing Income-Generating Ventures as a Proactive Approach to Enhancing Financial Sustainability and Resource Diversification, (4) Promoting Relevant Programs with Fewer Takers, (5) Assisting HEIs in the Institutionalization of Disruption Prevention and Management, (6) Strengthening the Development of Student Affairs and Services in HEIs, and (7) Promoting Futures Thinking in Institutional Development. Though the abovementioned strategies are not expected to rectify all issues and concerns of HEIs completely, they are expected to assist them in navigating the Political, Economic, Social, Technological, Legal, and Environmental arena where the institutions operate.

B. STUDENT FINANCIAL ASSISTANCE AND GRANT IN AID PROGRAMS

CHED continuously broadens access to quality education by providing assistance and incentives to deserving students through scholarship grants. CHED provides various Scholarships and Grant Aid Programs such as SIKAP, StuFAPS, and UniFAST. The highlights of this year's scholarship implementation and activities include:

1. Scholarships for Instructors' Knowledge Advancement Program (SIKAP)

The Scholarships for Instructors' Knowledge Advancement Program (SIKAP) offers opportunities for current and former teaching and non-teaching personnel of Higher Education Institutions (HEIs) to pursue advanced studies at designated universities and colleges in the Philippines. For 2023, the SIKAP is under the Local Graduate Scholarships Office (LGSO) unit and the office catered to 234 SIKAP grantees. Key activities for this year includes Cluster Workshop for the LGSO Programs and the SIKAP Year-End Assessment and Fellowship.

CHED Regional Offices convened at the Acacia Hotel in Davao City from November 28 to December 1, 2023, for a Cluster Workshop led by CHED Region XI. Representatives from CHEDROs 8, 10, CARAGA, and the CHED Central Office collaborated to address key concerns and enhance the implementation of LGSO programs, including SIKAP and SGS-L

Before the end of 2023, the Regional Disaster Risk Reduction and Management Council XI (RDRRMC XI) held its Fourth Quarter Full Council Meeting and the 23rd Gawad KALASAG Seal Awarding for Fully Compliant LGUs on December 18, 2023, at the Pinnacle Hotel in Davao City. Led by Ednar G. Dayanghirang, the OCD XI Regional Director and RDRRMC XI Chairperson, the Year-End Meeting covered presentations from DOST-PAGASA, DILG XI, DSWD XI, and NEDA XI, discussing the current Weather Outlook on TD Kabayan, the Annual Accomplishment Report of the 4-Thematic Areas, and Updates on DRRM Activities.

During the event, the fully compliant LGUs received the Gawad KALASAG Seal. The concept of Gawad KALASAG (Kalamidad at Sakuna Labanan, Sariling Galing ang Kaligtasan) was inspired by the Filipino term for shield, 'kalasag,' which early Filipinos used for protection against enemies or harmful animals.

Furthermore, RDRRMC XI presented Special Awards, including the Most Improved LGU Awards, Best Province Awards, Most Organized MOVs Award, and LGUs Best Practices, recognizing the champions of DRRM programs in the Davao Region.

E. ENGAGEMENT TO SUCs and LUCs

Since the implementation of RA 10931 in 2017 and the introduction of guidelines like CMO No. 14, S. 2019, and CMO No. 9, S. 2023, CHED RO XI has been actively enhancing its partnerships with SUCs and LUCs in the dynamic landscape of the Davao Region. With six SUCs and eight LUCs under its supervision, CHEDRO XI ensures thorough assessments, which include evaluating their LUDIPs as outlined in CMO No. 11, S. 2020.

1. Faculty Reclassification in Region XI

Out of 347 faculty position applicants, about 98.85% (around 343) progressed from Instructor II to Associate Professor V through the Faculty Position Reclassification process. Results were sent to and acknowledged by the Presidents of six SUCs in Davao. The Regional Evaluation Committee, led by RD Maricar R. Casquejo, oversaw the process with members like Dr. Esamel M. Paluga, Dr. Hazel T. Victoriano, Dr. Jonathan A. Bayogan, and Dr. Michelle Y. Acledan. The REC secretariat included Dr. Luis D. Perez, Engr. Rodrigo S. Pangantihon Jr., and Dr. Cesar A. Adegue IV.

PART 4

Regional Activities and Initiatives

A. INTERNATIONALIZATION

CHED RO XI is a beacon of innovation and progress in the ever-evolving global education landscape. Tasked with enhancing the internationalization efforts of higher education institutions within the region, it has embarked on a dynamic journey of partnership and collaboration. This year, CHED RO XI internationalization's efforts are focused on coordinated courtesy visits that facilitate dialogue and cooperation between local HEIs and their international counterparts, the celebration of ASEAN week, and cross-border activity.

1. Courtesy visit at CHED RO XI

These are some of the highlights of courtesy visits of international partners and linkages of HEIs in Region XI.

- Universiti Teknologi MARA, with Shah Alam and Selangor Darul Ehsan of Malaysia, made a courtesy visit on March 28, 2023, for a Short-Term Mobility Program in collaboration with the University of the Immaculate Conception, Davao City,
- ASEAN University Network – Quality Assurance Network, represented by Mr. Korn Ratanagosoom – Quality Assurance Network, visited CHED RO XI on March 30, 2023, to underscore the importance of quality standards in higher education. Their visit laid the foundation for future collaborations within the ASEAN region, demonstrating the key role of such visits in our internationalization efforts,
- ATMA Jaya Catholic University of Indonesia (AJCUI) graced CHED RO XI with their presence on May 3, 2023 together with the University of the Immaculate Conception, they explored avenues for academic exchange and cultural understanding between Indonesia and the Philippines,
- The TTSH Center for Asian Nursing Studies (CANS), led by Ms. Kylie Tang, Senior Nurse Educator, visited CHED RO XI on May 17, 2023, in partnership with SPC, fostering ties between healthcare institutions in Asia and promoting excellence in nursing education and research,

4. Cross Boarder Immersion

The Commission Higher Education Region XI embarked on the recent Cross-border Immersion of IZN Focal from December 9 to 17, 2023 in Kuala Lumpur, Malaysia, represented by Dr. Evelyn S. Ecle, the Internationalization (IZN) Focal for Region XI together with Region 2 and Caraga Region. This activity marks a significant stride toward fostering global collaboration and knowledge exchange in enriching the higher education landscape of HEIs in the Philippines, particularly the HEIs in the Davao Region. The delegates aimed to forge connections with three universities visited: The Universiti Malaya (UM); Universiti Kebangsaan Malaysia (UKM); and Universiti Teknologi Mara (UiTM).

The key takeaway of the said immersion would contribute to HEIs who wish to partner and establish agreements with three (3) Malaysian Universities regarding student mobility, faculty exchanges, and possible research collaboration.

B. HOSTING OF ACTIVITIES

CHED RO XI organized events catalyzed interdisciplinary dialogues and partnerships, bridging the gap between academia and industry. These events improved the region's academic reputation while contributing to its social and cultural milieu. By strategically organizing and carrying out events, CHED RO XI established itself as a center of intellectual exchange and cross-cultural interaction, strengthening its role in shaping the educational discourse within the larger community. This year, the highlights of activities focused on providing capacity-building training to HEI administrators and key personnel, fostering partnerships with key stakeholders, and advocating for Quality and Excellence in Davao Region HEIs.

1. RankEd Program

CHED RO XI, in collaboration with Lyceum of the Philippines – Davao, conducted the CHED XI RankEd Program: Empowering HEIs Through Quality Management Systems (Series 1 – Mind Setting towards Institutional and Program Accreditations and International Recognitions) on December 11, 2023, at the Freedom Hall, Lyceum of the Philippines University (LPU) - Davao, Davao City.

The CHED XI RankEd Program aligned with the Commission's 2023-2028 Strategic Plan, focusing on capacity-building for HEI administrators and key personnel, fostering partnerships with stakeholders, and promoting Quality and Excellence in Davao Region HEIs.

The program aimed to help HEIs recognize the value of Institutional and Program Accreditations and International Recognitions like ISO: 21001, Institutional Sustainability Assessment (ISA), ASEAN University Network-Quality Assurance (AUN-QA), and International Rankings.

The event was attended by HEI Presidents, VPs of Academic Affairs, and IQA and Internationalization focal points, providing a platform for networking, collaboration, and knowledge exchange with local and international experts in higher education quality assurance systems.

3. Baseline Data Towards Digital Transformation (DX) of Higher Education Institutions: Mindanao SUCs

As one of the thrusts of CHED Chairman Dr. J. Prospero E. De Vera III in support of the present administration's agenda on digital transformation, CHED RO XI spearheaded and completed this year the project titled "Baseline Data Towards Digital Transformation (DX) of Higher Education Institutions: Mindanao SUCs", in collaboration with CHED ROs in Mindanao. This initiative is based on the CHED Commission En Banc Resolution No. 421-2022, and Memorandum from the Office of the Executive Director (MOED) No. 143, Series of 2023.

The respondents are the State Universities and Colleges (SUCs) in Mindanao composed of 32 Main and 85 Satellite Campuses. Specifically, the participants of the study are the following: Vice President for Academic Affairs (VPAA), Vice President for Administration/Finance, DX Focal Person, Technical Personnel who prepared the SUC's Information Systems Strategic Plan (ISSP), and Research Director.

The study analyzed the current conditions and future directions of digital transformation among the 117 SUCs in Mindanao. The project assessed six domains, namely: leadership and governance, infrastructure, teaching and learning, research commons, institutional support systems, and sustainability and resiliency of operations. The output of this study is an essential step in accelerating Mindanao's higher education institutions toward a digital future, aligning with global trends and ensuring academic excellence in the twenty-first century.

Outreach Activities

A. CORPORATE SOCIAL RESPONSIBILITY

Corporate Social Responsibility (CSR) can help employees be immersed in the realities of the fields they are serving at the same time, gives them the opportunities to serve.

Despite the busy schedule of CHED RO XI for 2023, we managed to conduct one CSR activity, to wit

a. Visited and Hand overing of Gifts to Balay Dangupan

In a touching demonstration of unity and encouragement, the CHED RO XI and the SIKAP Scholar program collaborated on a meaningful outreach event on December 8, 2023, at Balay Dangupan in Cabantian, Davao City. This initiative aimed to assist 55 girls between the ages of 4 and 19, providing essential services to offer them hope for a brighter future. The event, hosted at Balay Dangupan, offered solace to these young girls who have faced significant hardships and trauma. It served as a reassurance that they are not alone in their struggles and that both organizations and individuals are ready to support them on their path to healing and empowerment. Beyond the meals and assistance provided, the event deeply impacted the recipients, reminding them of their worthiness of love and respect.
